

## TORONTO UNITED FOOTBALL CLUB (TUFC)

### INCLUSION AND ACCESSIBILITY PROGRAMS

Toronto United FC is a community of football-first families. We support players from all backgrounds and abilities because like a community players can be diverse.

TUFC is committed to providing its membership with safe, fun and barrier-free operating environment in which all individuals are treated with respect and dignity, free of harassment on the basis of race, national or ethnic origin, colour, religion, sex, sexual orientation, marital status, family status or disability.

TUFC aims to provide a barrier-free environment by means of, but not limited to, the following programs:

- 1) Development Program - For players of all abilities and capabilities including those with disabilities or physical barriers. A safe and fun environment geared towards learning and participation.
- 2) Ambassador Program - For newcomers to our academy and country. This program helps new families by having direct access with a dedicated member of our community to help integrate them into our TUFC family.
- 3) Scholarship Program - For players with Financial Barriers. We recognize that some families may require support in order to participate in our club. Our scholarship program helps reduce those barriers.

We can provide dates to come try our Development Program, we can setup a meeting with one of our Club Ambassadors who can walk you through our club programs and connect you with player resources such as financial, language or equipment needs.

If you or someone you know may benefit from such programs please email us at [info@torontounited.ca](mailto:info@torontounited.ca) and we would be happy to help begin your soccer journey with TUFC.
